TARIFICATION 2024

MONTHLY SUBSCRIPTION

Subscription fees are invoiced two months after the creation of your account and the placement of your product online on the Chikkii B2B platform. These fees will be charged on the first day of each month, with amounts set at **10 US dollars for DRC vendors, 12 US dollars for Turkey vendors, 12 US dollars for UAE vendors, and 220 RZA for South African vendors.**

PERFORMANCE FEES

CHIKKII imposes an incentive fee on sellers, which essentially functions as a commission or percentage of the sales price for each item listed and sold on the CHIKKII platform. This amount represents the payment that sellers pay to CHIKKII for the opportunity to use their platform, connect with customers and promote their products.

HANDLING FEES

Processing fees are charged for each item shipped from a CHIKKII warehouse to customers located in any part of the Democratic Republic of the Congo. This fee is typically associated with businesses on the CHIKKII e-commerce platform that utilize external logistics or processing services to handle the storage, packaging, and delivery of their products to customers

SIZE	A light object that weighs 5 kg or less.	An object that is heavier than 5 kg but weighs 20 kg or less.	An object that exceeds 20 kg but is below 45 kg in weight.	An object that weighs 45 kg or more but is 90 kg or less in weight.
